```
netweaver01:~ # supportconfig

=====
Support Utilities - Supportconfig
Script Version: 3.1.7-1
Script Date: 2020 02 26

Detailed system information and logs are collected and organized in a
manner that helps reduce service request resolution times. Private system
information can be disclosed when using this tool. If this is a concern,
please prune private data from the log files. Several startup options
are available to exclude more sensitive information. Supportconfig data is
used only for diagnostic purposes and is considered confidential information
